Description of Changes/ Diviations:

We are pleased to announce the immediate release of the **Stealth Alternative Control – Retail UK v1** order form. This new 10-page document is a consolidated UK retail ordering tool for the Stealth / Mo-Vis / i-Drive range of alternative drive controls.

What the new form offers

- Complete product range at a glance
 - Mo-Vis Micro, All Round, Multi, and Precision Mini Proportional Joysticks
 - Full selection of mounting options, trays, swing-away arms, toppers and accessories
 - Foot controls, Twister / Basic Button / Gooseneck switches (all cable lengths and colours)
 - Hand warming systems and Multi-Switch options
 - i-Drive Tri-Array, Curved Tri-Array, Pro Series and Sip & Puff head-control systems
 - Mushroom Joysticks, Chin Controls, Environmental Control Units
 - Peripheral mounts and hardware compatible with Quantum, Permobil, Invacare and most other major power-base manufacturers
 - Hybrid Driving Packages (IDA2H, IDA2H, IDA3H) with pre-selected component kits
- UK Retail pricing and part numbers clearly shown for every item
- Cross-manufacturer compatibility highlighted – the majority of joysticks, switches, mounts, harnesses and accessories listed are designed to work across multiple wheelchair brands, giving you maximum flexibility for your customers.

The form is now the official ordering document for all Stealth Alternative Drive Control products in the UK retail channel. Please use this version for all new quotations and orders going forward.
